

HEALTH FIRST | CLEAN CONFIDENCE

Your confidence means the world to us, that's why we are prioritizing your health and safety.

Hotel Equities, through our *HEalth First* initiative, has developed and adapted all of our operational processes and protocols to meet the new challenges presented by COVID-19.

LESS CONTACT, MORE CONNECTION

We are social and physical distancing in all areas of our hotels while leveraging technology such as Mobile Check-In.

This enables us to *safely* connect with our guests.

DEEPER, MORE FREQUENT CLEANING

Enhanced cleaning protocols ensure guest rooms, public and high touch areas are sanitized using the latest ECOLAB certified industrial grade cleaning techniques.

A SHARED RESPONSIBILITY

We are committed to providing our team with the most effective tools, training and resources needed to protect your health. Sleep well knowing our teams conduct temperature screenings daily and utilize EPA approved Personal Protective Equipment.

TAILORED OPTIONS FOR MEETINGS & EVENTS

We are bringing back the white glove standard of service through creative meeting room configurations, menu modifications and interval sanitizing in all communal areas.

AND, WE'RE LEARNING HOW TO SMILE WITH OUR EYES...

When you're ready to safely travel again, we're ready to welcome you.
