From Our Partners

"We truly value your partnership and appreciate your many contributions to our growth and success as a franchisor over the past 20 years."

- Arne Sorenson, President and CEO, Marriott International

"Not very often in this industry it happens when your Room Revenues jumps to over 47% in a span of 15 months. Needless to say, the accomplishments were way beyond my expectations and are too many to list."

- Jay Batra, President, iHospitality Group Inc.

"The Hotel Equities team made our hotel perform well while giving us the comfort that it was all done "the right way." We have nothing but the highest regard for the culture of the organization and the character of the Hotel Equities team."
